

Kingdom 22 – Deliverance Leader's Guide

See Bible study at the bottom of the page.

1. What do we learn about the devil in this video? (The devil leads the kingdom of darkness and has an evil organization of demons working for him. He disguises himself as an angel of light. He's a thief and a liar. He tries to trick and accuse people and wants them to feel guilty and afraid.)
2. What kind of teacher was Jesus? (He taught with power and authority like a king.)
3. When Jesus is teaching, a demonized man interrupts him and screams. How do the demons feel about Jesus? (They know who he is. They are afraid of him because he will destroy and torment them one day.)
4. What will happen to the devil and his helpers in the future? (They will be destroyed and tormented in the eternal fire, the lake of fire.)
5. How does Jesus deal with the demons in the screaming man? How do the demons react to Jesus' command? (He commands the spirit to be quiet and to come out. The demons throw the man to the ground and leave. Jesus is the boss!)
6. Why is the man in Matthew 9:32-33 unable to speak? (Demons have stolen his voice.)
7. How does Jesus restore him? (Jesus casts out the demons and the man immediately begins to talk!)
8. Why is the man in Matthew 12:22 both blind and mute? (Because demons have stolen both his sight and speech.)
9. Describe 2 different ways that people react when they see Jesus cast out demons? (The crowds are amazed and love Jesus. The Pharisees don't trust Jesus and say he casts out demons because he himself is demon-possessed!)
10. What physical problem does the woman in the temple have? How long has she had this problem? (She is bent over double. She can't stand up straight. 18 years!)
11. Describe the deliverance of the woman in the temple. (Jesus calls her up front. He puts his hands on her and says that she is free. She straightens up and starts praising God!)
12. How can demons negatively affect *our* lives? (They can make us depressed. We can feel heavy and anxious. They can mess with our heads.)
13. How do we open the door to demons? (We open the door to demons by getting involved in the occult like fortune telling, horoscopes, Ouija boards, horror movies, demonic music, porn, unforgiveness, and more.)
14. What can we do if we've opened the door to the devil? (Repent, ask God to forgive us, and make a quality decision to stop. Ask God for his power to help us.)
