

Our Mission Leader's Guide

- 1. What instructions did Jesus give to his followers before he was taken up to heaven? (He told them to go into all the world and preach the gospel.)**
- 2. Whom were they to preach to? (People from all countries, ages, and races.)**
- 3. Are we to wait for people to come to us? (No, we are to take the first step.)**
- 4. Does God want everyone preach to crowds? What if you're a quiet person? (NO! Very few of us will preach to crowds. If we're quiet, we can share quietly! We can share 1 on 1. We should be ourselves.)**
- 5. What are some practical ways that we can carry out our mission? (We can do acts of kindness and service. We can lead people to Jesus through friendship. We can tell our stories. We can pray for people with needs. We can preach or do street outreaches. And more!)**
- 6. In the video, there was a drawing of A through Z. A is the starting point, and Z is when someone comes to Christ. What is our job? (If someone is at point A, our job is to bring them to B. If they are at B, our job is to bring them to C.)**
- 7. How are Christians like farmers? (We plant and water seeds like farmers, but GOD brings the growth.)**
